Dear Monte,

Now that we are facing another September primary, I am taking this opportunity to thank you for your efforts in the past Presidential primary.

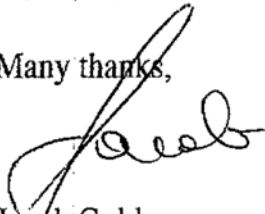

Due to your diligent work, our club fielded a very vigorous effort on behalf of both Hillary Rodham Clinton and Barak Obama. Despite a split of opinions within the club, we managed to achieve excellent results on Presidential Primary Day.

I realize the extra burden we have placed upon our Executive Board. Again, you came across beyond my expectations. During our last dinner dance you were one of our most prolific fundraisers in achieving a very ambitious goal.

I must admit that we have asked a lot from you. But, as you know, we have come to expect a lot from our "elite members". You have certainly risen to our high expectations both as a club member and executive board member of the New Independent Democrats.

Once again, I am looking forward to continuously working with you in the forthcoming September 9<sup>th</sup> and November Presidential 2008 election. I know we will savor victory in November.

Many thanks,

Jacob Gold
